MEMORANDUM FOR: Deputy Assistant Director for Intercept Operations

SUBJECT : Project [redacted] 25X1A

1. This memorandum is to confirm our discussion on 26 February 1965 regarding equipment for Project [redacted] 25X1A

2. It is our intention to proceed with the development along the lines described in the briefing presented to OSI and DD/P personnel on January 18, 1965 and restated here. The maximum dimensions of one package will be 48 inches x 20 inches x 12 inches, and the weight of one package will not exceed 60 pounds. The number of packages will be limited to two, with the second package for batteries.
